Prior Art Citation

1. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.

Tosaki et al. (6,791,937) and Oshima et al. (2001/0013023) both disclose an optical disk apparatus having the ability of detecting and preventing illegal copying or reproduction by identification information received from the optical disk.

Reasons For Allowance

2. The following is an Examiner's Statement of Reasons for Allowance:

The prior art of record alone or in combination does not teach or suggest the disc player having the combination of elements with their recited structure, along with the specific structure of the anti-piracy system having one or more optically-pulsing light sources that project constant or pulsing incident light into the disc receptacle such that when the disk is being played by the disc player, one or more two-dimensional and/or one or more three-dimensional discrete images are formed on, below or above the viewable surface of the disc by the persistence vision, as set forth in claims 1-24.

Any comments considered necessary by applicant must be submitted no later than the payment of the Issue Fee and, to avoid processing delays, should preferably **accompany** the Issue Fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to MUHAMMAD N. EDUN whose telephone number is 571-272-7617. The examiner can normally be reached on FLEXITIME.
